

EDUCATION

- Bachelor of Management & Economics (Dual Degree)** Expected Jun 2012
Major: Info Management & Info Systems (Financial Intelligent)
Southwestern University of Finance and Economics (SWUFE), Chengdu SIC
- **Core Courses:** C Language Programming, Data Structures, Database Theories and Application, Oracle Application Technology, Analysis of Data and Business Intelligence, Principles of Management, Management Information System
 - **GPA: 3.9** **Average Score: 89.01/100** **Ranking: 3/37(8%)**

RESEARCH EXPERIENCE

- A Research on Knowledge Sharing in E-business Virtual Social Network** Oct 2011 - present
Independent Research **Advisor: Prof. XU, Yun**
- Building up the basic model and making questionnaires according to the variables in the model
 - Using Structural Equation Modeling to assess the extent to which each factor contributes to the knowledge sharing behavior and to analyze the information sharing behavior in E-business virtual social network
- Data Analysis in Hospital Management Systems** Apr 2011 - Jun 2011
Research Team Member **Advisor: Prof. LI, Jingkun**
- Designed the database and built a data warehouse on SqlServer2005 to store the data collected from the hospital
 - Used OLAP method to perform data analysis and evaluated the operational performance of the hospital
 - Set variables to real-time monitor the profit of the hospital
- Research Project and Entrepreneurial Project Management Information System** Oct 2010 - Jan 2011
Research Team Member **Advisor: Prof. XU, Yun**
- Designed the database and the interface of the information system on Microsoft Access
 - Used data mining methods such association rules, decision tree and clustering on SAS to perform data analysis
- Literature Review on The Research Advances of The Computer Simulation Technology in Financial Market** Apr 2010 - Jun 2010
Research Team Member **Advisor: Prof. WANG, Peng**
- Reviewed the early computer simulation technology (including Monte Carlo method)
 - Introduced other revised simulating methods applied to the financial market and suggested the development in this area

WORK EXPERIENCE AND ACTIVITIES

- Hawdee Info Tech Co., Ltd.** **Chengdu, SIC** Jul 2011 - Aug 2011
Summer Intern
- Participated in a system development project -- Xincheng Assurance Management System, which greatly enhanced the operational efficiency of the Xincheng Assurance Co.,Ltd
 - Assisted with the work in demand analysis, database design, coding and system testing
 - Drafted documents including Project Development Plan, Database Design Manual, Installation Guide, and User's Manual
- Student Union in School of Information** **SWUFE** Dec 2008 - Jan 2009
Intern
- Assisted with documents preparation and conference organization
 - Cooperated with other team members to organize activities and competitions in SWUFE
 - Wrote reports of the big events in the School of Economic Information Engineering and updated the website every week

PERSONAL SKILLS AND COMPETENCIES

STANDARD ENGLISH TEST

- **Graduate Management Admission Test (GMAT): 720 (94%)** (Quantitative 51 (98%) Verbal 35 (74%) AWA 5 (57%))
- **International English Language Test System (IELTS): 7** (Listening 8 Reading 7 Writing 6 Speaking 6)
- **Business English Certificate Vantage: Grade C**

COMPUTER SKILLS AND COMPETENCIES

- **National Computer Rank Examination Certificate: Grade 3**
- **National Computer Rank Examination Certificate: Grade 2 Language Java**
- **Programming Languages:** C, Java, Matlab, Sql
- **Software:** SAS, Eviews, Matlab, Microsoft Access, MySql, SqlServer, Oracle Databases

HONORS AND AWARDS

- Second-class Academic Excellence Scholarship (Twice 10%) Sep 2008 - Sep 2011
- Third-class Academic Excellence Scholarship (Three Times 15%) Sep 2008 - Sep 2011
- Excellence Award in SWUFE Undergraduate Mathematical Contest in Modeling May 2010
